

Casumo REEL RACES

Taking online casino to another level

Prizes given out every 30 mins with a €/**£1000 grand prize every night**

Compete against other players, win amazing prizes and experience your favourite slots in a completely unique way. In Casumo Reel Races you compete against other players in fast paced, action packed casino tournaments crammed with amazing prizes. Your job is to collect points and boosters by winning as many times as possible. The player who ends up with the most points when the time runs out wins the race.

Points & Boosters

By winning you collect points, and you can also trigger different types of boosters that will propel you up the leaderboard.

3 Wins in a row

Win three times in a row and get additional **5 points**.

Collect 2 Big Wins

Every time you collect 2 big wins you get **35 additional points**.

Mega Win

Get **100 points** that can help you skyrocket your position and change everything.

Unique In Game Experience

Experience your favourite slots in a brand new way with a unique realtime in-game experience. Keep track of your own spins, but also your opponents and what games they are playing. You will always know how many spins your opponents have left.

- 1 Hovering over the timer will show you how much time is left. The timer will turn red when the tournament is coming to an end.
- 2 The spin counter shows you how many spins you have left. Once you run out of spins your points will no longer count.
- 3 The amount of spins left for the current leader is always visible. Helps you keep track of how many spins that sneaky guy has left.
- 4 Hovering over any player will show you how many spins they have left and also what games they are playing.
- 5 When a player runs out of spins a red marker will appear next to their username.
